PROOF!! PROOF!!!
proof conclusive that Dr. S. P. Townsend's Here is proof conclusive that Dr. S. P. Townsend's prespondle is the original. The following is from me of the most respectable papers in this State.

New York Dally Telliume. for- We published an advertisement modvertently one time rince that did injustice to Dr. S. P. Townsens, who is the original proprieter of the preparation of Sansparilla known as Dr. Townsenda. Other torties have within the past few months engaged or amented themselves with a man by the name of Townsend who put up a modicine and calls it by the space name. This medicine was advertised in The there as the original &c. This advertisement else standed mailer deregatory to the character of Dr P Townsond and that of his medicine. We regret appeared, and in justice to the Dr. make this ex-

New York Dally Sun. Pr. Townskie's extraordizery advertisement which curies an entire page of the Sun, will not entire Dr. S. P. Townsend, who is the original p rator of Dr. Townsend's samaparilia, and whose of see is next door to ears, where he has been for several years, is driving an immense business. He receives is a than four hundred dozen of Sarsaparilla per and even this chormous quantity does not supply demand. No medicine ever gained so great a sopularity as his preparation of the Sarsaparilla. His tion of Almennes for 1849 cost \$22,000, and he pool the New York See for advertising, in the last four years, over \$10,000, and he acknowledges that it is the cheapest advertising he has had done. This medicine is experted to the Canadas, West In-dies, South America and Europe, in considerable quantities, and is coming into general use in those countries, as well as here.

Swindlers.

Proggists and others that sell Sarsaparilla for the genuine and original Dr. Townsend's Sarsaperilla List is not signed by S. P. Townsend, commits a figure, guilty of such an act, would commit any other fraud ad no Druggist of common intelligence but knows that ours is the only genuine.

Cld Jacob Townsend. Some people who are not well informed, and have not read the papers, and not seen our advertisements, have been ied to suppose, that because these men advertise their stuff as "Old Jacob Townsends," that it soust, of course, be the original. It is less than one year since they commenced to make their medicine. Ours has been in the market over ten years. This Old Jacob Townsend.

They are endeavoring to palm off on the public as an old Physician, are lie is not a regular educated Physician, and never attempted to manufacture a medicine, until these men hired him for the use of his name. They say they do not wish the people to behave that their Samaparilla is ours, or the same-but the better to deceive the public, they at the same time accept that their's is the Old Dr. Townsend's, and the original; and endeavor to make the people believe that the stoff they manufacture, is the Dr. Townsend's Sarsaparilla, that has performed so many wonderful cures for the past ten years, and which has gained a rejutation which no other medicine ever enjoyed—which is a base, villainous, unprincipled falsehood. We have commenced suits against these men for damages. We wish it to be understood, that the old man is no relation to Dr. Townsend whatever. In their advertisements and circulars, they publish a number of gross falsehoods respecting Dr. Townsend, which we will not notice.

False Reports. Our opponents have published in the papers, that Dr. S. P. Townsend was dead. This they send to their agents about the country, who report that we have given up business, &c. &c. The public should be on their guard, and not be deceived by these unprincipled men.

Notice of Remaral.—After the first of September, 1849, Dr. S. P. Townsend's New York Office will be in the South Baptist Church, No. 82 Nasseu street, which is now undergoing a thorough change, and will be fitted for the better accommodation of the proprictors and the public. Take particular Notice.—No Sarsaparilla is the genuine and original Dr. Townsend's Sarsaparilla, unless signed by S. P. Townsend.
